A landscape photograph showing a sunset over a body of water. The sky is filled with clouds, some of which are illuminated by the setting sun, creating a warm orange and yellow glow. The sun is low on the horizon, casting a bright light across the sky. The water in the foreground is calm and reflects the light from the sky. On the left side of the water, there is a small building with a covered area, possibly a dock or a small house. The background consists of a dark, silhouetted forest line and distant mountains.

*A great person who will be greatly
missed by the many people he touched.*

– Bob Disher

*May Dave rest in peace.
I am sure that he
will never be forgotten.*
– Art Gutierrez

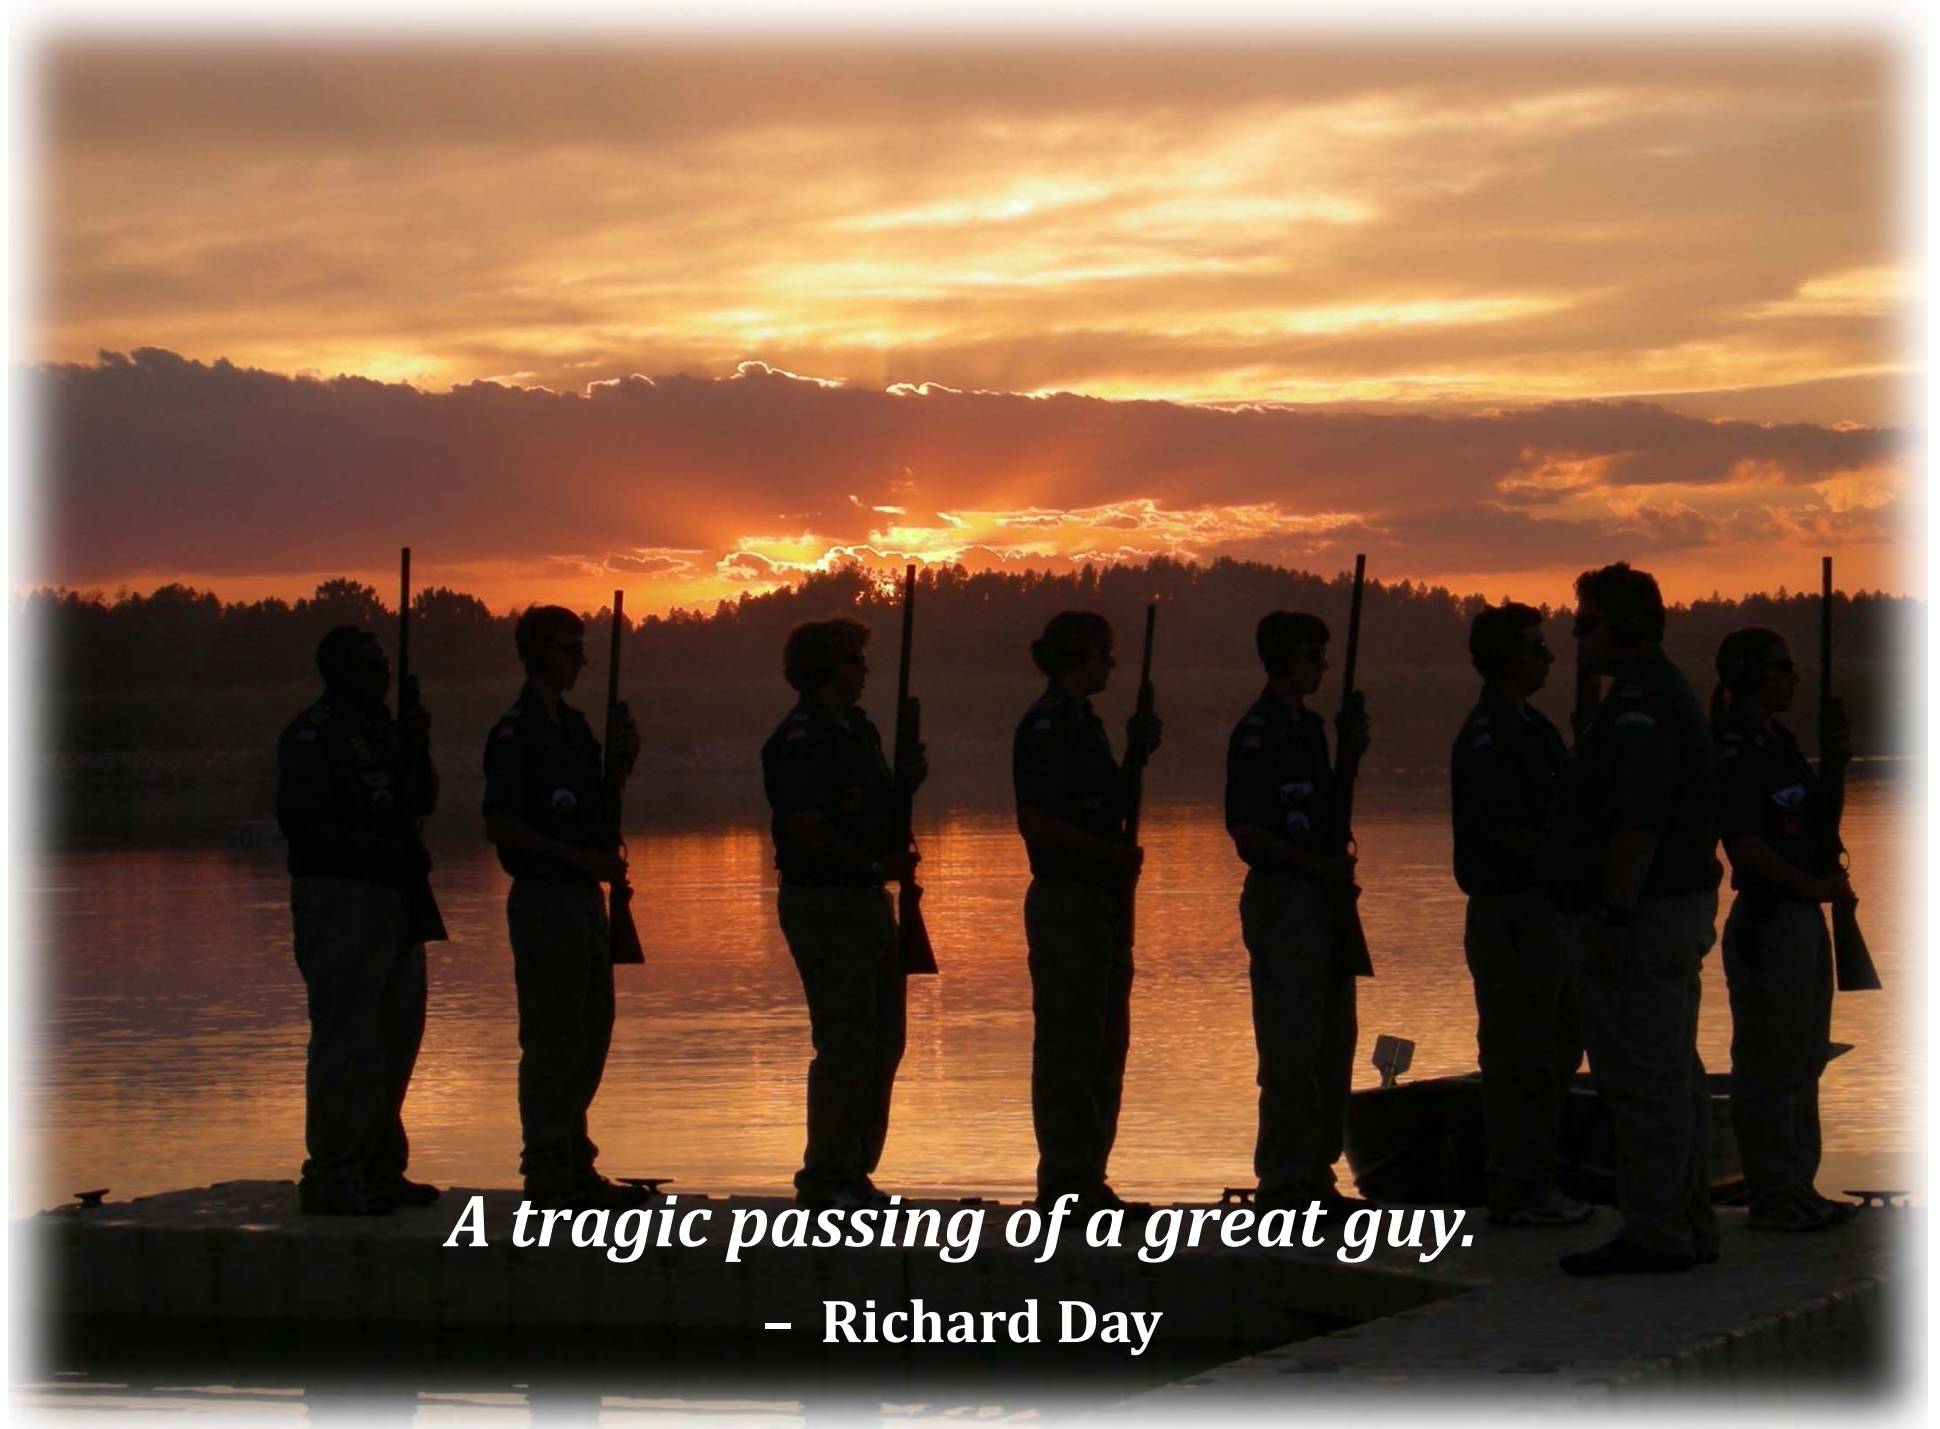

*He will be missed. Aurora Police Explorer
Post 2024's thoughts and prayers
are with his family.*

***Our deepest condolences
to the family.***

- The Dillon family

A tragic passing of a great guy.

– Richard Day

Dave was a former Scoutmaster of Troop 527. As a former SM (and current ASM) of our troop, I can say he was an inspiration for many of our boys and adults in the Troop. We have lost a very dear member of the family.

– Don Gardner

We will miss you Dave...

With love from all your family and friends in Scouting!
